

Answers to RFP Questions received

1. What is the annual budget for air travel?

- The annual budget for air travel is approximately USD 1.426 million.

2. Does the budget for air travel include both chartered and commercial flights?

- Yes, the budget encompasses both chartered and commercial flights.

3. Should bidders include the cost of estimated itineraries in their pricing?

- No, bidders should only include the cost of their services, which comprises their commission added to the flight costs and applicable exchange rates for conversion to JMD.

4. Will there be direct follow-ups with references?

- Yes, it is crucial to verify the vendor's reliability and ability to provide 24-hour service. The Jamaica Football Federation frequently moves personnel globally, making access and quality of service critical.

5. What is the average size of the group traveling for competitions?

- The average group size is approximately 40 people.

6. Can you provide a potential flight schedule for the next two years?

- Yes, the potential flight schedule is enclosed. Please refer to pages 2-4.

7. Can you extend the RFP by one week?

- No, the RFP due date will remain as December 12, 2024.

8. Can a bidder re-submit a bid before the due date?

- Yes, our evaluation team will use the last submission received from your organization before the due date.
